

**LOWENHAUPT GLOBAL ADVISORS NAMES
LAURA HEWGLEY AND TARA HARRIS OFFICERS OF THE FIRM**

ST. LOUIS, June 18, 2018 – Lowenhaupt Global Advisors (LGA), one of the country's leading family offices, today announced that Laura Hewgley and Tara Harris, two long-time associates in the firm, have been promoted.

Hewgley, who has more than 17 years of experience, was named Chief Operating Officer. Harris, who has more than 15 years of client services experience, was named Chief Family Office Executive.

The promotions of Hewgley and Harris follow the appointment of Chris Quinn as President of the firm - all part of the firm's succession planning to ensure the long-term continuity and growth of the firm.

“Laura Hewgley and Tara Harris are terrific leaders who share LGA’s values and its special commitment to clients,” said Quinn. “The promotions of Laura and Tara recognize their long-term commitment to our clients and to the firm and the trust and responsibility that employees and clients have in them.”

Hewgley will have day-to-day operational responsibility for the firm, along with client service and general counsel responsibilities. Before joining the firm, she was an attorney at LGA’s affiliated tax and estate-planning law firm, Lowenhaupt & Chasnoff. Hewgley earned a Bachelor of Arts degree from Westminster College in Fulton, Missouri. She also received a law degree from Saint Louis University and is admitted to the Missouri bar.

Harris joined the firm in 2004 and is responsible for client relationships, service coordination, and project management. Prior to joining LGA, she managed investor relations and reporting for a Midwest seed-stage venture capital fund. Before that, she held positions with GE Capital and Morris Publishing. Harris graduated magna cum laude from Hastings College in Nebraska and studied accounting at Northwestern University.
